Ms. Tuczak distributed a draft response letter to the Trustees for review, noting the amounts included in the response were derived from the current actuary report, and in addition GRS, the Fund's actuarial firm, will be preparing a letter to accompany the Fund's response.
- The next item, Ms. Tuczak formally introduced Caroline Vullmahn, the Fund's newly hired Comptroller, to the Trustees. Ms. Tuczak requested that Ms. Vullmahn be added as a signatory, as Comptroller, to the Northern Trust, the Fund's custodial bank.

- The next item concerns topics from Dr. Orris, the Board's physician.

Dr. Orris relayed to the Trustees, that the Occupational Services Institute at the University of Illinois (OSI at U of I), the department in which Dr. Orris works, contracts with and has consulted with a variety of City, County agencies and State agencies over a period of time. In the past, the Board has expressed concern that Dr. Orris not perform examinations for the City, as such may be a conflict with his services to the Board of Trustees. Dr. Orris indicated that OSI at U of I has two new relationships in which services may be performed for the Committee on Finance and/or the CPD Medical Section. Dr. Orris indicated, and the Board of Trustees confirmed, that with respect to these two new relationships, he will not perform any examinations for police officers, to avoid any conflict of interest or confusion for the police officer.

Dr. Orris next discussed the matter of John Kubik, a member previously in receipt of duty disability benefits. Mr. Kubik's benefits were suspended awhile ago, when he did not travel to Chicago for the required annual examination. Since that time documentation was provided suggesting a limitation on travel by Mr. Kubik, and two independent medical exams were conducted on Mr. Kubik closer to his residence. Dr. Orris discussed the results of such exams, noting that based upon such new information, the member is presently unlikely to return to duty.

WHEREUPON, Trustees Caldero left the proceedings.

- The last item from the Executive Director, Ms. Tuczak, was for informational purposes only. Ms. Tuczak discussed procedures the Firemen's Annuity and Benefit Fund of Chicago (FABF) is conducting with respect to receipt of tax levy collections. Ms. Tuczak noted that collection of tax levy receipts has been previously discussed with the Trustees, noting the Fund receives tax collections in a like manner to which the City collects such revenues, with an uncollectible portion each year. FABF is investigating procedures to potentially audit the uncollectible reserve. The Trustees indicated that they will await further updates on FABF efforts.

Board counsel, David Kugler, reviewed with the Board the following matters.

- Recent legislation affecting previously denied purchases of prior service has passed both houses, but is pending Governor signature. Mr. Kugler recommended that the Board send a letter to the City of Chicago requesting the City oppose the legislation for a variety of reasons. The Board directed Mr. Kugler to send the drafted letter directly to the Governor, with such drafted letter to include more information on the impact if passed.
- Lastly, Mr. David Kugler then reviewed with the Trustees an update on the hospitalization matters before Judge Cohen. Currently, two matters are before Judge Cohen; 1) responsibility for payment of the subsidy – the City or the Funds and 2) whether the Funds are responsible for contracting for insurance for members. Briefs on these issues are due in the upcoming weeks.

All business concluded for this date, June 28, 2018, *it was moved by Trustee Hamburger, seconded by Trustee Brown that this meeting be adjourned.*
